

## Landscape Contractors Insurance Services (LCIS) and the California Landscape Contractors Association (CLCA) announce 50/50 promotion for new CLCA members and LCIS insureds.

For a limited time, new CLCA members and LCIS insureds will have their 1<sup>st</sup> years dues paid by LCIS and the CLCA. The offer is designed to help landscapers take advantage of the many benefits afforded by membership in the CLCA and the exclusive insurance program offered to CLCA members by LCIS.

As a CLCA member you are eligible to participate in an insurance program that not only covers all of your business needs, but actually pays you an annual rebate AND earns credits toward a cash pay-out when you retire?

Please contact Jerry Elson at LCIS with any questions. Jerry can be reached at 800-628-8736 ext 512 or [jelson@lcisinc.com](mailto:jelson@lcisinc.com).

Some rules: A new member is one who has not been a member of CLCA or insured with LCIS at any time within the last three years. Only those prospects that purchase insurance from LCIS within 30 days of joining CLCA will be eligible. If a member joins CLCA prior to buying insurance and pays dues to CLCA, we will refund to the new member their dues payment, providing again that the insurance is effective within the 30 day time frame.
